

# GDPR (General Data Protection Regulation)

## Parental consent for the use of photos and videos by CHLPV and ULPV

---

In the course of our sports activities, we may use photos or films of skaters (for our website, in various publications, etc.). These are group photos or views of skaters in action.

In accordance with the current data protection law, we are obliged to ask for the written permission of the legal representatives for this use.

We would like to point out that the use of the images is not for profit.

If you refuse, your child will either be kept out of the picture or his/her face will be hidden.

-----  
I, the undersigned .....

legal representative of .....

- authorize the taking of photos and/or films for video analysis for performance evaluation and improvement of my child.
- authorize the taking and publication of photos and/or films of my child (website, internal publications, press information ...).
- authorize the journalists (written press, radio or television), intervening in the trainings and/or competitions within the framework of a report, the taking and the publication of photographs and/or films of my child.
- do not authorize any publication of photos and/or films of my child.

....., the .....20....

.....
