## Summertime in Oberstdorf and LuxSpeedCamp skated

The **12<sup>th</sup> Oberstdorf Shorttrack Summertime** ended on 5<sup>th</sup> August in a shorttrack competition, which opens traditionally the new season here in Europe. We had 9 skaters from Luxembourg there. **Jimmy Kiesgen** was 1<sup>st</sup> overall including the mountain run, biathlon and shorttrack (PB in 777m); our masters **Cristina Meyer** and **Marco Kiesgen** both took the 3<sup>rd</sup> place. New Personal Best's (PBs) were also skated. **Congrats to all skaters.**

Last weekend the **2<sup>nd</sup> LuxembourgSpeedCamp** was skated in **Kockelscheuer**. We had **Jana** from Czech Republic and **Brian van Riet** from Netherlands as coaches and we had altogether 39 skaters, of which 11 from Luxembourg. We had divided the skaters into two groups and they had 15 hours of ice. The competition season for our skater **Peter Murphy** will start with the Dutch Invitation Cup in the end of this month and 20.10-22.10 Peter will skate in the World Cup in Montreal, where they organize this year two competitions.
