ISU WORLD TOUR 3 SKATED

Last weekend we had **Peter Murphy** skating in **Beijing, China** in the **ISU Short Track World Tour 3** competition. With the new model where 20 best ranked go directly further to the Quarterfinals it has become a little more challenging to enter the main event. Here are the results from Peter from Beijing where he made in the **1500m** a new PB and also a new **National Record**:

500m 42.886 rank 62

1000m 1:28.001 rank 45

1500m 2:14.454 rank 43 PB Congrats **Peter** and good luck for **Seoul** next weekend!

175 skaters skated two weeks ago the **StarClass CD 1** competition in **Oberstdorf** and we had also volunteers helping there and to promote our **Starclass competition CD 2** end of January 2025. Thank you **Isabel, Heidi & Kaj** for your commitment. We arranged the **Kleeschen Cup** in **Kockelscheuer** and the results you can find under www.shorttrack.lu .

Next Sunday 15th December we will organise the **Regional League Benelux Cup 2** in **Kockelscheuer**. The competition will start at 10.15 and we finish the races at 17.00 After that we have the victory ceremony. We have around 50 skaters in the rink in many categories. (ISU SKATING CHANNEL)

You are mostly welcome to come and see.
