MIST Games Bialystok

From 27th to 29th March, the **Master International Short Track Games** took place in Bialystok (POL). At this very well-organized event, Luxembourg participated with three skaters!

Joël from OAST (FRA) supported the team as a coach -many thanks to him.

Artur won the 777m in his age category and was 2nd in the overall ranking.

Vojtech finished 5th and Marco 4th in their overalls. Together with Rutger from Go (NEL), the team made a nice 1st place in the additional relay.
