Nr 2 Season 2026/2027

11th LSC

The 11th LuxSpeedCamp, held from 11th till 13th September 2026, was a great success, bringing together 54 skaters from 12 different clubs (across 5 nations) for a weekend full of speed, training, fun and team spirit.

With 36 skaters on the ice during one session, we set a record for a training session in Luxembourg!

We hope to see you all again next year, and warmly invite even more skaters to join us.

The next competitions where our skaters will be competing are the **Hansa Cup Rostock**, **Belfort Open** and **Lara van Ruijven Memorial**. We wish all our skaters good luck !
